Concept- The Subway By Chappell Roan

Collaborator- Leah Kendall

Taught By- Christianne Myers

[Verse 1]  
I saw your green hair  
Beauty mark next to your mouth  
There on the subway  
I nearly had a breakdown  
A few weeks later  
Somebody wore your perfume  
It almost killed me  
I had to leave the room

Lucy Dacus 'Ankles' Lyrics & Meaning | Genius Verified  
[Chorus]

It's just another day  
And it's not over 'til it's over  
Oh, it's never over  
It's just another day  
And it's not over 'til it's over  
It's never over

[Post-Chorus]  
'Til I don't look for you on the staircase  
Or wish you still thought we were soulmates  
I'm still counting down all of the days  
'Til you're just another girl on the subway

[Verse 2]  
Made you the villain <sup>no face</sup>  
Evil for just moving on  
I see your shadow  
I see it even with the lights off  
I made a promise, if in four months this feeling ain't gone  
Well, fuck this city, I'm movin' to Saskatchewan

[Chorus]  
It's just another day  
And it's not over 'til it's over  
It's never over  
It's just another day  
And it's not over 'til it's over  
It's never over  
[Post-Chorus]

her settling on a subway

'Til I can break routine during foreplay  
And trust myself that I won't say your name  
Yeah, I'm still counting down all of the days  
'Til you're just another girl on the subway

[Outro]  
She's got, she's got a way  
She's got a way, she's got a way  
She got, she got away  
She got away, she got away  
She's got, she's got a way  
She's got a way, she's got a way  
She got, she got away  
She got away, she got away
